Newsletter - 18th March, 2019

Dear Parents and carers,

There are times when we need to be inspired with courage and to have our hope renewed, especially when we are going through difficult times. Following Jesus isn't easy, but if we listen to him, we will experience encouragement from God.

CONGRATULATIONS YEAR 1.

Well done to the 14 children in Year 1 who represented our school at the Multi-skills competition (against 2 other schools) at Corpus Christi last week. They really enjoyed themselves and came first overall !
We were so excited– well done children !

'I CAN' COLLECTION

This Friday children are invited to bring a can of food eg beans, soup etc...or packet food to school to support Trussle Trust to provide food for the needy. We are doing this with all the local schools– the idea is 'I can make a difference'. Thank you for supporting this great event.

OPEN AFTERNOON AND EVENING

You should have received a letter giving information about our Open afternoon and evening.

Please book your appointments on our online booking system– thank you.

SCIENCE WEEK

The children and staff enjoyed a variety of different experiences in school last week and had fun carrying out a range of different experiments.

Please ask them to tell you about what they learnt.

HERD FARM RESIDENTIAL

Thank you parents for attending the information sharing event last

Thursday and for paying your deposits and additional money so far.

The children are really excited about the residential visit. Please return all paperwork asap and continue to pay the remainder of your balance .

Thank you.

CAFOD COLLECTION

Thank you so much for your donations for CAFOD last Friday.

Leeds Irish parade-Thank you to the families who walked proudly with our school banner yesterday.

TIMES TABLES

Once again we are asking you to encourage and help your children to learn their times tables. By the end of Year 4, children should have learnt (and confidently know) all their times tables. Please encourage them to use Times Tables Rockstars and Mathletics at home and to learn their tables over and over again !

We find that children who know their times tables have a definite advantage when completing Maths work. Thanks.

I hope you all have a lovely week.

God Bless
Mrs Flaherty
