DANCE LESSONS

This half-term we have paid for Nicola Booth from Leeds Rhinestones to teach dance lessons to all classes each Thursday.

The children really love the lessons and Nicola is a great teacher. Children can come to school in their white PE T-shirt with their school jumper on top and a pair of black jogging bottoms or leggings. They must still wear their black school shoes. Thank you.

CORONAVIRUS

We have all been watching the news reports over the last couple of weeks and finding out about the latest updates etc...As always, we take advice from the government and NHS and will update you if needed. In the meantime we are being vigilant with hygiene in school.

THANK YOU

Just a note to thank you for your recent contributions towards Science day activities and some book week activities. We like to provide a range of activities and experiences for the children to take part in- most of the time school pays for the cost, but from time to time we will have to ask for your contribution to support the ongoing costs.

Thank you once again.

I hope you all have a lovely week .

God Bless
